Living Matrimony

Prince of Peace

7:00-9:00 pm

April 27, 2018

A healthy marriage blesses couples and everyone around them. Your family deserves your love and happiness! Renew the relationship with your spouse in an intimate and spiritual setting. Space is limited. Couples can register online at www.HoustonMe.org or call 713-482-1791. Non-residential weekends are a great option for families with children because there is no overnight stay at the retreat location.

Take your spouse on a date! Dating your spouse will help energize and strengthen your marriage by focusing on you as a couple. On your dates, you will grow together, spiritually and emotionally, as you discuss the date's topic together. Dates are the third Friday of each month. Attend when you can! Dates will be from 6:30 - 9 p.m. and begin with a quick 15-minute talk before you leave for your personal date. Date ideas include dinner, taking a walk, taking a drive, etc. Anything that will allow discussion time with each other. For more information, contact Brad and Michele Snyder at michele-snyder@att.net.

Join us for a marriage program that will transform your marriage into the superabundance God intended. Potluck dinner and presentation will be held monthly until May 2018. Register [here](#) to attend. Childcare available with reservation at childcare@pophouston.org 72 hours in advance.

Living Matrimony is a place of trust to reflect on the vocation of Christian Marriage where couples can deepen their faith in Jesus Christ through inspiration and education. It is also a forum for social engagement where married couples can find life-long friendships and build their support network within the Catholic community. Email Daniel.curriel@gmail.com for more information. Childcare will be provided, donation of \$5 per child, if possible. Call (281)469-2686 x 231 or email childcare@pophouston.org to register for childcare.

Catholic Couple Checkup

St. Anthony of Padua

Catholic Couple Checkup is an online assessment tool designed to identify the unique relationship strengths and growth areas of dating, engaged, or married couples. Visit St. Anthony of Padua's website to try it.

Natural Family Planning with CCL

<https://ccli.org/>

CCL provides Natural Family Planning (NFP) instruction that is both thorough and engaging. You'll learn the Sympto-Thermal Method, a modern, scientific and highly effective way to postpone or achieve pregnancy. With the guidance of a certified teaching couple, you and your fiancé or spouse will benefit from both their knowledge of the method and experience of using NFP in their own marriage. No matter which form of our class you select, you will receive our first-rate program and ongoing support while learning and beyond.
